Compaq Presario V6700 Notebook PC

COMPAQ

COMPAQ

Beautiful outside, powerful inside. The Compaq Presario V6700 N
swirl of patterns on the exterior and the refreshed capabilities of t
in the interior—simply designed to meet all your computing nee
performance, now incredibly affordable.

BIGGER PERFORMANCE

Enjoy a greater boost to your mobile lifestyle with the AMD Turion™ 64 X2 Dual-Core[1] Mobile Technology. Built on an award-winning platform, AMD 64 technology delivers dual-core[1] performance for a richer mobile experience and greater security. Superior technology that is ideal for all computing demands from digital enthusiasts to small businesses.

LUXURY TO DO MORE

Enjoy the ability to do so much more with enhanced memory and storage that lets you work with spreadsheets, listen to music, surf the Net and more simultaneously and smoothly. With up to 250 GB of hard drive space, you can store away and backup important files, graphics intensive multimedia contents and photos easily.

ACCESS EVERYTHING EASILY

With a full range of input ports, DVD drives and the ExpressCard slot, you are now able to connect to expansion products, including storage and memory features. So getting on-line, managing photos, sharing music and transferring data stays convenient and enjoyable.

EXPERIENCE A NEW WORLD WITH WINDOWS VISTA®

Do everything, quickly and seamlessly, across all applications with breakthrough new tools and design. Spectacular visual effects and streamlined navigation makes finding, creating and managing your documents easier than ever. While smarter security settings and parental controls puts you in control at all times.

MUSIC TO YOUR EARS

ALTEC LANSING

Integrated Altec Lansing speakers lend your computing experience a crisp, clear sound quality that will inspire and invigorate.

[1] *This system requires a separately purchased 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD Turion™ 64 X2 mobile technology. Dual-core processing available with AMD Turion X2 mobile technology is a recent technology innovation, designed to improve performance of this system. Given the wide range of software applications available, performance of a system, including a 64-bit operating system and a dual-core processor, will vary.*

Notebook PC showcases an energising
the award-winning AMD 64 technology
eds. A perfect union of style and

SIMPLY DAZZLING

With the brand new Compaq Imprint, your Notebook PC now becomes a statement of style and sophistication. Using an advanced moulding technique, a simple, clean pattern is subtly in-laid into the high-gloss surface of your notebook. It is a design that communicates the precision and fluidity of your notebook's technology.

Compaq recommends Windows Vista® Home Premium.

Expand your viewing horizons with a 15.4" widescreen High Definition display featuring HP BrightView technology.

Backup essential data or store away multimedia contents with LightScribe SuperMulti DVD+/–RW with Double Layer support.

Access your entertainment features with the media launch button.

Stay on the go and stay entertained with the mobile performance of AMD Turion™ 64 technology.

Wi Fi CERTIFIED

Enjoy constant connectivity everywhere with built-in Wi-Fi.

Roomy keyboard gives you more than enough space for maximum comfort. Easily transfer large files with the 5-in-1 Media Card Reader*.

Pristine sound quality with Altec Lansing speaker system.

** Mini/reduced flash memory cards require separately purchased adapter.*
